## SPECIFIC INSTRUCTIONS

### A. HOLDING A BUDGET HEARING

1. Since the termination of Federal Revenue Sharing (FRS), there exists no legal requirement to hold a public hearing once all FRS funds have been spent. As a matter of public policy, it is strongly recommended that such a hearing be advertised and held, either on the date the tentative budget is approved to be advertised, or at any other meeting prior to final adoption.
2. Until all remaining FRS funds have been expended, the requirements for public notice and public hearing remain in effect: At least ten days prior to the budget hearing, the local government must publish, in at least one newspaper of general circulation in the local government's geographic area, a notice of the hearing. The notice must include (a) date, time and place of hearing, (b) right of citizens attending the hearing to provide written or oral or both comments or questions or both regarding the entire budget and the relationship of revenue sharing to the entire budget, (c) the local government's proposed use of its revenue sharing funds in context with the entire budget, (d) a summary of the local government's entire proposed budget, (e) location where and time when the above information with a copy of the entire proposed budget is available for public inspection. A reasonable effort must be made to have senior citizens and their groups participate in the hearings.
3. Prior to enactment of the budget, the legislative body, or the appropriate committee thereof, conducts the budget hearing.
4. Within thirty days of adoption of the budget, a summary of the adopted budget showing the intended use of revenue sharing funds must be available for public inspection and notice of its availability must be published in a newspaper of general circulation in the local government's geographical area.

### B. CITIES OF THE THIRD CLASS

1. In commission cities, each department is required to submit to the council sometime before the last stated meeting in November an estimate of probable receipts and expenditures and the amount each department says it requires for the ensuing year. Mayors and city managers in optional charter cities must require department heads to submit requests not later than the month of November.
2. Budget preparation: In commission cities - assigned to the Director of Accounts and Finance; In Mayor/Council Plan A optional charter cities - to the mayor with the assistance of the administrator, if any, or other officer designated by the Mayor; and in Council/Manager optional charter cities - to the manager.
3. The budget must be submitted to the Council for first reading at the last stated meeting in November.
4. After the proposed budget has passed first reading, the city clerk makes it available for public inspection, publishes a notice to that effect in at least one newspaper of general circulation stating the date fixed by council for adoption of the proposed budget ordinance, such date being at least twenty days after publication. The proposed budget ordinance must be available for public inspection for at least ten days after this notice.
5. On or before December 31, the council must finally adopt the budget.

### C. BOROUGHES

1. The budget is prepared in any manner designated by council.
2. Boroughs must prepare the budget not less than thirty days before adoption.
3. Notice that the proposed budget is available for inspection must be published by the secretary in a newspaper of general circulation, as defined by the Newspaper Advertising Act of 1929, and the proposed budget must be kept on file with and be made available for public inspection by the secretary for a period of ten days after the notice and prior to adoption.
4. On or before December 31, the council must finally adopt the budget. Upon completion of the budget, the council shall adopt the real estate tax ordinance.

**D. TOWNSHIPS OF THE FIRST CLASS**

1. At least thirty days prior to adoption, the board of township commissioners must begin preparation of a proposed budget.
2. The proposed budget must be published or otherwise made available for public inspection at least twenty days prior to the day set for adoption and at least ten days public notice must be given of this date.
3. On or before December 31, the board must finally adopt the budget.
4. The commissioners must adopt the real estate tax ordinance in sufficient time to assure delivery of the tax duplicate to the township treasurer within thirty days of the adoption of the budget.

**E. TOWNSHIPS OF THE SECOND CLASS**

1. At least thirty days prior to the adoption of the budget, the board of township supervisors must begin preparation of a proposed budget.
2. After preparation, the board gives public notice by advertising in a newspaper of general circulation that the proposed budget is available for public inspection in a designated place and the proposed budget must remain so available for twenty days after notice and before adoption.
3. On or before December 31, the board must finally adopt the budget.
4. The supervisors must adopt the real estate tax resolution in sufficient time to assure delivery of the tax duplicate to the township tax collector within thirty days of the adoption of the budget.

## GENERAL INSTRUCTIONS

One of the principles of governmental accounting and financial reporting is that an annual budget should be adopted by every governmental unit. Another principle is that a common terminology should be used consistently throughout the budget, the accounts, and the financial reports of each fund. These principles are reflected in the provisions in the various municipal codes and home rule charters requiring the timely preparation and adoption of an annual budget and reporting it on a form developed by the committee authorized to prepare the form.

The committee has developed and approved this form which incorporates the two principles. This budget form covers all assets, liabilities, fund equities, revenue or income and expenditures or expenses of all budgetary funds and some funds you may not budget.

This budget form covers all types of funds that a local government may have: Governmental, Proprietary, and Fiduciary.

1. Governmental Funds include:
  - a. the General Fund,
  - b. Special Revenue Funds (e.g. special tax fund, Highway Aid Fund, and Revenue Sharing Fund),
  - c. Capital Projects Funds (e.g. General Obligation Bond Funds and Capital Reserve Funds),
  - d. Debt Service Funds (e.g. Sinking Funds), and
  - e. Special Assessment Funds.
  
2. Proprietary Funds include:
  - a. Enterprise Funds (e.g. Electric Fund, Gas Fund, Water Fund, and Wastewater Fund), and
  - b. Internal Service Funds.
  
3. Fiduciary Funds include:
  - a. Expendable Trust Funds,
  - b. Non-expendable Trust Funds,
  - c. Pension Trust Funds (e.g. Firefighters Pension Fund, Non-uniformed Employees Pension Fund, and Police Pension Fund), and
  - d. Agency Funds (e.g. Firemen's Relief Fund and Payroll Fund).

Separate columns are provided only for General, Highway Aid, and Revenue Sharing Funds. All other funds for which you must prepare a budget should be added together by type for purposes of this report, although your governing body will have adopted a budget listing each of these as a separate fund. You may not have some of these kinds of funds, or if you do, you may not need to budget some of these kinds of funds. Obviously, you only report those kinds of funds you do have and for which the governing body budgets.

We suggest that you begin your budget by preparing a Schedule W (Working Budget) or a similar form for each of your budgetary funds. To prepare Schedule W, you can make your own with plain paper, columnar paper, or an office copier, or you can have copies printed locally.

Tax totals from the Schedules W then can be transferred to Schedule C, and then totals from both these schedules can be transferred to Schedule A. All amounts may be estimated and appropriated to the nearest dollar.

Schedule A constitutes the uniform budget, which, under the terms of the various municipal codes and home rule charters, should be prepared and made available for public inspection prior to budget adoption. We would suggest that this schedule be accompanied by the Schedule W and a written description of revenue or income and expenditures or expenses be available for public inspection also.

This form also contains the appropriation ordinance, resolution, or motion by means of which the budget is finally adopted at the end of the designated public inspection period. The required tax levy ordinance or resolution is also included in this form.

Within fifteen (15) days after final adoption of the budget, one copy of it should be filed with:

ORDINANCE NO. 2236

AN ORDINANCE OF THE TOWNSHIP OF HAVERFORD, COUNTY OF DELAWARE, COMMONWEALTH OF PENNSYLVANIA, AMENDING ORDINANCE NO. 818 AND ORDINANCE NO. 1796, AS FURTHER AMENDED, FIXING THE ANNUAL SEWER RENTAL OR CHARGE TO EACH PROPERTY CONNECTED TO THE SEWER FOR EACH ONE THOUSAND GALLONS OF WATER CONSUMED AND ESTABLISHING PENALTIES FOR VIOLATIONS THEREOF.

BE IT ENACTED AND ORDAINED by the Board of Commissioners, County of Delaware, Commonwealth of Pennsylvania, and it is enacted and ordained by the authority of the same that:

SECTION 1. The total amount of the annual sewer rental or charge for the year 1996 to be required is hereby determined to be \$3,746,600 pursuant to and as part of the Budget Adoption procedures of the Home Rule Charter.

SECTION 2. The Board of Commissioners does hereby determine Two Dollars and seventy-three cents (\$2.73) per one thousand (1,000) gallons of water used by properties connected with the sewage of the Township as the amount of money to be charged to each property connected to the Township Sewer System for the sewer rental or charge for 1996.

SECTION 3. The sewer rent or charge for the year 1996 for each property within the Township of Haverford using the sewer system and facilities of the Township shall be charged at the rate of \$0.00273 per gallons for water consumed or used by said property.

SECTION 4. A two percent (2%) discount shall be allowed if the bill is paid on or before sixty (60) days from the date of the bills. The face amount of all final bills shall be payable on or before one hundred and twenty (120) days from the date of the bills if discount period is disregarded. All sewer rental charges shall be a lien against the property serviced by the sewer facilities of the Township until said sewer rental charges are paid. Failure on the part of the Township to remit a bill due to administrative error or federal postal delivery problems does not exonerate the property owner from paying the sewer rental fee and penalties imposed. It shall be the duty of the Director of Finance to certify to the Township Manager/Secretary the date that all bills are mailed. If said bills are not paid on or before one hundred and twenty (120) days from the date of the bill, a penalty of ten percent (10%) shall be added. It shall be the duty of the Director of Finance during or after the twelfth month following the month in which bills were mailed to certify the unpaid bills to the Township Solicitor, who shall proceed to collect such delinquent sewer rental together with penalties and costs accrued thereon either by action at laws, or by filing a lien or liens for the same in the Office of Judicial Support of the Court of Common Pleas of Delaware County, Pennsylvania, and such liens, together with penalty and costs accrued thereon shall be filed and collected in accordance with law. All sewer rentals not paid prior to the date on which penalty shall be added as herein provided shall be deemed to be delinquent.

SECTION 5. Any ordinance or part of ordinance to the extent that it is inconsistent herewith is hereby repealed.

ADOPTED this 27th day of December, A.D., 1995.
